

2019 Troop 119 Wreath Sale Information

Important Dates:

Sept. 30	Wreath sale begins
Nov. 4	Orders and money due
Nov. 21-23	Pick-up products and deliver to your customers

What to do now: SELL, SELL, SELL

1. Ask your neighbors, friends, family, coworkers – everyone you know – if they'd like to purchase a Boy Scout Christmas wreath, garland, swag or other lovely holiday greenery. (Their purchase helps you pay for the Scouting activities you love to do!)
2. Show them the order form and fill in as appropriate. You will keep this form to deliver the products after Nov. 21.
3. Collect cash or check (made out to **Troop 119**) from your customer at time of order.
4. Give your customer a contact slip with your name and troop contact information.
5. Thank them and let them know you will deliver the products after Nov. 21.

By Nov. 3: Add up your orders and money

- You will receive a turn-in sheet to tally up your orders. Add up your orders and money collected and make sure they balance out.
- Write your scout's name in the memo line of all checks received.
- Sign up for a pick-up time to receive your products ordered.

On Nov. 4: Turn in your order and money

- Turn in order sheets and money.
- Please put order sheet and money in an envelope with the scout's name on both the turn-in sheet and the outside of the envelope.

Scouts will receive 67% of the profit. That's about \$7-8 per item.
